Summary

Small stand for the Segway Loomo robot

[Hobby & Makers](#) > [RC & Robotics](#)

Tags: [stand](#) [segway](#) [loomo](#)

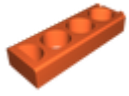

Remixed from: <https://www.thingiverse.com/thing:2981861>

The original mesh was quite messed up so I fixed it. I also added some dovetails to the central part so that it could be used without glue in a pinch.
